### **6-tip star Cat. No. 2910**

**Reference:** 2910

**Price:** 22,90 € Excl. Tax 27,48 € Incl. Tax

### **Description**

The 6-tip star Cat. No. 2910 includes 6 nozzles designed for use with the Express malleable burners, which are compatible with the Koro oxyacetylene torch Cat. No. 290, the torch kit Cat. No. 2905 and the complete set Cat. No. 2907.

These tips allow an acetylene flow rate of 60 to 315 L per hour.

They therefore make it possible to work with steel up to 5 mm in thickness and copper pipes up to 42 mm in diameter!

Catalogue number 2910, with its 6 nozzles, is sold in a blister pack.
