Decap' Green Flux Cat. No. 855

Reference: 855

Price: 20,08 € Excl. Tax 24,10 € Incl. Tax

Description

Presented at the last Batimat trade show, Decap' Green Flux Cat. No. 855 is a complete organic flux for roofing work.

It produces no toxic fumes.

It can be used for all types of applications: zinc (new and oxidised), copper and tin-coated steel.

Decap' Green Flux Cat. No. 855 contains no zinc chloride and is therefore harmless to plants and animals.

This all-new product avoids any zinc corrosion.

It is supplied in a 320 ml bottle with a brush.

Sold in packs of 6, this reference is available for sale online and can be returned to you within 72 hours of receipt of your payment.
