Elbow handle 620CR

Reference: 620CR

Price: 115,81 € Excl. Tax 138,97 € Incl. Tax

Description

"Dual-material" handle with trigger Cat. No. 620CR with fast-connection swivelling elbow union.

Thanks to its elbow union, this new handle prevents damage to hoses and therefore extends their lifetime.

The fast swivel connection makes it easier to attach the hose and prevents it from winding.

This reference is available for sale online and can be delivered to you within 72 hours of receipt of your payment.
