Hot air gun 4600

Reference: 4600

Price: 142,65 € Excl. Tax 171,18 € Incl. Tax

Description

A multitask hot air gun!

Guilbert Express hot air gun 4600, sometimes called heat gun, offers many action possibilities. It heats zinc without breaking, shapes ducts and PVC pipes, heats heat-shrinkable sleeves, unglues plastic tiles and adhesives, makes it easy to install flexible floors.

But this hot air gun can also weld and repair PVC tarpaulins, dry drywall joint tapes, strip and dry paints and varnishes, defrost pipes and locks, loosen nuts and bolts.

This heat gun has a Piezo ignition, its return is immediate, and can work up to 17.6°F.

It comes with 2 nozzles, flat and reflector, Cat. No. 11965 and 11255 specially and

exclusively designed for the Guilbert Express hot air gun Cat. No. 4600.

Works with gas cartridge Cat. No 445 included.
