Metal cart Ref. 2950 for Koro oxyacetylene station

Reference: 2950

Price: 273,25 € Excl. Tax 327,90 € Incl. Tax

Description

Ref. 2950 all-metal cart for Koro Cat. No. 2907 oxyacetylene welding unit.

This product is easy to handle and easy to transport thanks to its large wheels which enable it to be used on all types of terrain.

Thanks to its well-balanced design, its stability is remarkable when it has to support its Cat. No. 523 oxygen and Cat. no. 524 acetylene cylinders!

This metal cart Cat. No. 2950 is available from your usual Express dealer and online.
