Oxy'Star welding torch set Cat. No. G2903

Reference: G2903

Price: 121,34 €

Description

Because sometimes a "simple" blowtorch is not enough, we offer you the Oxy'Star welding torch set Cat. No. G2903

Contents:

1 adjustable torch and 1 tip with a 0.9 mm opening, equivalent to 300 L/min

Anti-flashback system in the handle, 2 x 1.5-metre-long hoses and a separate oxygen and gas regulator with anti-flashback system.

1 x (disposable) 110 L oxygen bottle Cat. No. 522

1 x 340 g butane + propane gas cartridge Cat. No. 555

1 pair of welding goggles

It allows you to work with copper pipe diameters of 12 to 38 mm, and perform braze-welding of steel up to 4 mm and welding of steel up to 3 mm thick.
