Perforated metal sleeve for roofer soldering iron Cat. No. 16917

Reference: 16917

Price: 4,55 € Excl. Tax 5,46 € Incl. Tax

Description

Here is an essential spare part for Express roofer soldering irons.

Thanks to this technology, only the tip receives the flame, producing a more accurate and even heat.

Unfortunately, this part sometimes has to be changed often, due to a lack of maintenance or tough conditions when cooling the roofer soldering iron.

Available for sale here, this roofer soldering iron grille provides excellent heat distribution.

Do not delay, order this Express original equipment product (sold in packs of 2 right away. It will be delivered to you within 72 hours of receipt of your payment!
