Description

VERY HANDY!

That's how roofers describe this set Cat. No. 9645, which has been one of the most successful Guilbert Express products at the beginning of 2023 with its integrated lid!

This holder comes with a salmiak stone Cat. No. 9641 to clean roofer soldering iron tips made of copper, a space to hold a spare salmiak stone on the back, a container for the chosen flux and a specially designed holder for the flux pot cap, as well as a brush for the technician to apply flux to the metal parts to be assembled.

A space has also been provided for holding tinning paste Cat. No. 852 and you will find

plenty of tips in the technical data sheet that can be downloaded from the Documentation tab below.

This reference is available for sale online and can be delivered to you within 72 hours of receipt of your payment.
