Description

Designed on the basis of the Express fast-connection swivelling handle Cat. No. 603CR, which is packed with Express innovations, and the turbo tip Cat. No. 779, this ready-to-use kit has everything a roofer needs to work efficiently, even in extreme weather conditions (high altitude, strong winds, extreme cold).

In addition to the two products mentioned above, this roofer soldering iron kit includes a 2-bar regulator Cat. No. 682 and a 4.75 metre hose Cat. No. 963/5, making it a comprehensive kit for professionals looking for roofing tools that offer superb value for money.

Sold in an attractive red carrying case, this all-new kit will be a faithful companion for all

your roofing jobs and, as you would expect from Guilbert Express, for many years to come!
