Refill connector Cat. No. 7795S

Reference: 7795S

Price: 28,18 € Excl. Tax 33,82 € Incl. Tax

Description

Many of you expressed a desire for a flexible connector that makes it easier to transfer the propane gas contained in a 13 kg bottle into our work-site gas cylinder Cat No. 7796.

We made this wish a reality: the new refill connector Cat. No. 7795S is available to purchase now.

This is an essential piece of kit to transfer the contents of gas cylinders into a more easily transportable container for all your roofing, plumbing, heating and air-conditioning jobs, while ensuring the highest level of safety.

This new Express product is available to purchase online and can be delivered to you

within 72 hours of receipt of your payment.
