### ***Roofer pack Titan' Express 6140***

**Reference:** 6140

**Price:** 183,61 € Excl. Tax 220,33 € Incl. Tax

#### **Description**

Dehumidification, marking, snow removal, disinfection, thermal weeding - this model of roofing torch has gained the approval of specialists in a wide variety of fields.

In addition to their multifaceted applications, the roofing torches in this range offer another important advantage, namely that they are 50% lighter than the previous range.

The professional roofing kit cat. no. 6140 consists of titanium cup cat. no. 100T, lance cat. no. L600, ABS composite drain handle cat. no. 605, 10 m hose cat. no. 963/10 and 4 bar regulator cat. no. 684.

Specialists in sealing work finally have a roofing torch kit at their disposal, allowing them

to work efficiently and comfortably in all conditions, even the most difficult ones.

In addition, the roofing felt burner in this kit is characterised by its outstanding power, which is an undoubted advantage.
