Soldering fluid 1840

Reference: 1840

Price: 6,74 € Excl. Tax 8,09 € Incl. Tax

Description

Express soldering fluid Cat. No. 1840 facilitates soft soldering and enhances the effectiveness of the Express soldering iron or of our range of high temperature electric soldering irons.

Soldering fluid Cat. No. 1840, formulated by Guilbert Express, is recommended for general work on zinc and white metal, and is highly recommended when soldering steel and sheet metals (zinc, copper, steel).
