Description

Steel'Express roofing torch kit 6216: a roofer torch with a stainless steel roofing burner. To provide a customised roofer torch solution for professional roofers and all those who wish to professionally execute the roofing job, Guilbert Express has come up with excellent value roofer torch packs that include a stainless steel roofing burner.

The Steel'Express roofing torch kit 6216 consists of a stainless steel Cat. No. 100S, a neck tube Cat. No. L600, a "bi-material" handle with trigger Cat. No. 620 with swivel attachment, a 10m hose Cat. No. 963/10 and a 4 bar HP regulator Cat. No. 684.

With such a combination of equipment, this roofing torch kit simply cannot fail to attract the attention of professional roofers who work in the field and who want to be sure that

their roofer torch can provide more than enough power to complete smaller-scale jobs.
