Tempo electric soldering iron 55 W

Reference: 593

Price: 49,65 € Excl. Tax 59,58 € Incl. Tax

Description

Tempo 55 W electric soldering iron Ref. 593

The Tempo 55W electric soldering iron Cat. No. 593 by Guilbert Express may be considered an ecological soldering iron.

A notably compact and light soldering iron, it offers an ergonomic handle for easy handling and holding, plus an integrated collar.

The Tempo 55W electric soldering iron is also ideal for quick soldering jobs, as it is ready in around 1 minute.

It goes without saying that all Tempo electric soldering iron models are made in France.

What's more, as part of the Tempo product line, the benchmark 55W soldering iron is guaranteed for 2 years.

The Tempo product line is also especially well-priced: a quick look at your distributor's prices for similarly performing products is sure to convince you of the exceptional value for money offered by the 55W Tempo electric soldering iron!

This reference is available and can be delivered to you within 72 hours of receipt of your payment.
