Description

Many roofers who had already had the opportunity to try Raptor roofing guns, for work involving vertical-horizontal joints or flat roofs (with the ranges Cat. No. 1027, 1029, 1045 and 1055), wanted to combine this Raptor product with the proven performance levels of the Titane roofing burner ranges.

With this in mind, Guilbert Express' R&D teams are delighted to present a whole new generation of tools for roofers - the TITANE R range.

This is for all professional users looking for a very light tool with a very powerful flame.

The new Express TITANE R roofing gun range includes four versions that cover a

concentrated spectrum of power levels.

They cover a range of 50 to 150 kW and feature ergonomic designs to meet all possible usage configurations.

Cat. No. 75103 presented here includes two different burners: a 150 kW titanium burner Cat. No. 150RL400 and a 50 kW titanium burner Cat. No. 50RL200, as well as the Raptor safety handle Cat. No. 660, with Piezo trigger and quick-release coupling Cat. No. 911.

This kit, available for sale online, can be delivered to your home within 72 hours of receipt of your payment.
