Titan'Express burner 50T

Reference: 50T

Price: 81,96 € Excl. Tax 98,35 € Incl. Tax

Description

Titan'Express propane torch burner Cat. No. 50T

The Titan' Express propane torch burner (Ref. 100T) lets you assemble the roofing torch that's perfect for your requirements, by combining the propane burner with a neck tube Cat. No. L200, Cat. No. L400, Cat. No. L600 and a plastic Cat. No. 620 or metal Cat. No. 640 handle.

Made from Titanium, the space conquest material, the Titan'Express 50T propane torch burner is exceptionally lightweight and durable.

Like Guilbert-Express other propane torch burner products, the Titan'Express 50T is very powerful and made for demanding roofers who require an exceptional roofing torch.
