Titan' Express roofer's pack 6423 CRA

Reference: 6423CRA

Price: 468,48 € Excl. Tax 562,18 € Incl. Tax

Description

With this brand new product designed for roofers working with both vertical-horizontal joints and flat roofs on a single job, the R&D teams at Guilbert Express managed to do something that would have been unimaginable until recently: enable users to switch almost instantly from a short 130 mm neck tube and burner to a long 400 mm neck tube and burner, without having to use any tools.

With just a click, users can change their neck tube and burner whenever they need.

This really is a major improvement that will rapidly become an essential for all manufacturers, as users will particularly appreciate its simplicity and convenience on the job.

This all-new Titan' Express roofing torch pack is comprised of 2 Titane burners Cat. No. 150T, two neck tubes Cat. No. L400 and Cat. No. L200, an "all-metal" trigger handle Cat. No. 640 with a swivel attachment, a 20-metre hose Cat. No. 963/20S and a 4-bar regulator Cat. No. 684.

You will be pleased to know that, to make it easier to carry, catalogue number 6423CRA also comes with the hose carrying handle Cat. No. 36774.

You will find this highly original and ever-dependable product at your usual Express dealer.
