Titan'Express special roofing torch 150TL200CRA

Reference: 150TL200CRA

Price: 130,13 € Excl. Tax 156,16 € Incl. Tax

Description

With the 150TL200 CRA titanium lance, Guilbert Express introduces a notable addition for sealing professionals. Compact (130 mm), powerful (150 kW), and built to last, it is designed specifically for users of Sealing Kits Ref. 6423CRA and Sealing Torches Cat. No. 6223CRA. This lance offers the opportunity to give their equipment a new lease of life and, if needed, to boost the output of their 6223CRA torch set from 50 to 150 kW for waterproofing applications.

Developed by the R&D teams, this lance demonstrates the brand's ability to push industry standards further and comes equipped with a Nipple 912 for quick-release coupling Cat. No. 912, compatible with Quick Coupling Cat. No. 911 for gas hoses (not included).

Designed for building finishing professionals as well as demanding users, the Express

sealing lance range stands out through top-tier engineering solutions: lightweight, robust, and high-performing, it meets on-site requirements without compromise.

Through this new reference, Guilbert Express reaffirms its role as an essential partner for bituminous waterproofing craftsmen, offering reliable, easy-to-use tools that are readily available, with delivery within 72 hours after payment confirmation.
