Titan'Express special roofing torch 150TL400CRA

Reference: 150TL400CRA

Price: 143,91 € Excl. Tax 172,69 € Incl. Tax

Description

With the 150TL400 CRA titanium sealing lance, Guilbert Express introduces a remarkable addition for bituminous waterproofing professionals.

Compact (400 mm), powerful (150 kW), and built to last, it is designed specifically for users of Sealing Kits Ref. 6423CRA or Sealing Torches Ref. 6223CRA, offering them the opportunity to give their equipment a new lease of life.

Developed by the R&D teams, this lance showcases the Express brand's ability to push industry standards further and comes equipped with a Male Quick Coupling Ref. 912, compatible with the Female Quick Coupling Ref. 911 for gas hoses (not included).

Designed for building finishing professionals as well as demanding users, the Express sealing lance range stands out through top-tier engineering solutions: lightweight, robust, and high-performing, it meets on-site requirements without compromise. Through this

brand-new reference, Express reaffirms its role as an essential partner for bituminous waterproofing craftsmen, offering reliable, easy-to-use tools that are immediately available, with delivery within 72 hours after payment confirmation.

This product, available for online purchase, can be delivered within 72 hours upon receipt of your payment.
