Vulcane Express gas torch Multi Plumbing Heating 471

Reference: 471

Price: 246,18 €

Description

Vulcane Express gas torch, plumbing and welding accessory: Carrying Case Ref. 471
This elegant plastic carrying case is used to transport the Vulcane Express gas torch as well as numerous plumbing torch accessories, including two propylene gas cartridges XPRESS GAS™ Cat. No. 2400, making this a truly powerful and exceptional product.

The Vulcane Express gas torch contained in this gas torch carrying case is delivered with a pre-assembled burner Cat. No. 4722 used for brazing Ø22 copper tubes.

The gas torch carrying case also contains an “air conditioning” type burner Cat. No. 4714 for brazing Ø14 copper tubes and a “heating” type burner for brazing Ø28 copper tubes Cat. No. 4728.

Finally, it also contains an additional piezo ignition Cat. No.. 4701 and a spare gas nozzle Cat. No.. 47022 for the Vulcane Express plumber torch.

The ideal carrying case for all your gas torch welding and blow torch plumbing equipment!
